OFFICE OF THE CHIEF OF POLICE

June 30, 2014

Dear Dear Community Member:

The Waterloo Regional Police Service is committed to delivering professional and ethical service to our community. This commitment is reflected throughout our Strategic Business Plan, a document which provides a roadmap for our service over the next three years and beyond. We believe that included within this plan should be emerging trends, evolving priorities, and community input.

In order to provide Waterloo Region with the highest level of safety and service, and in preparation for our 2015-2017 Strategic Business Plan, we need to hear from our community members. Over the next two months, we will be hosting approximately 15 focus groups across the Region in order to discuss policing and safety concerns, share ideas, and gather feedback.

We hope you will join us on Thursday, July 10, 2014 from 7:00 to 9:00 pm for a session focused on the Downtown Cambridge Communities. The focus group will be held at our Headquarters, 200 Maple Grove Road, in the classroom. If you have any questions or you are unable to attend but would like to offer feedback to the Waterloo Regional Police Service, please contact Erin Vandahl in the Corporate Planning Branch at 519-650-8500 ext. 8714.

Regards,

Stephen Beckett
Acting Chief of Police
